

**NCAA Track & Field Qualifying Meet
Saturday, March 7, 2009**

The primary purpose of this meet is to provide athletes with the opportunity to qualify for the National Championships. Please keep this in mind when deciding who to enter. In field events nothing will be measured under the Division III provisional standards. Starting heights for the HJ / PV will be set to give the athletes the best opportunity to reach qualifying heights for Division I & III. The top heats in most events from 800 and up will feature rabbits pacing the first portion of the race.

Online Entry Opens: Monday, February 23

Team Entries will be submitted online: You may enter this meet by going directly to <http://trackmeet.aspsolutions.com/team/index.asp?IDMeet=2221>

Note: NCAA Rule 4-1: Misconduct is any act of dishonesty, unsportsmanlike conduct, unprofessional or breach of law occurring at the locale of the competition or warm-up that discredits the event or intercollegiate athletics. Misconduct includes the intentional reporting of false marks for entry purposes. Acts of misconduct are subject to reprimand or ejection by the referee or meet management.

- Accurate seed marks will assist us in accurately seeding the races and providing the best competition for your athletes. When entering your athletes into the system, you must enter a mark from the 2009 Indoor Season and the date and meet it was obtained. Meet management will use their discretion when setting up heats and flights.
